*The most important aspect of healing is FAITH HEALING. While the fake faith healers have given it a bad reputation, and the secular media highlights ONLY the false practitioners, the fact remains that faith healing has been shown to be BY FAR the quickest and most effective way for one to find healing.

Healing Word is only helpful for Bards, and outside of that, it is incredibly situational. I think this spell would be really cool if it was more accessible to Wizards and Sorcerers: the spellcasters that don't necessarily need a healing spell but would benefit from having one if the healers fell unconscious.
